

Lesson 4 Spelling Prep

$$(\check{V})(C) = \check{V}C$$

Lesson 4 Dictation Prep

A phrase is a group
of words with
meaning but does not
express a complete
thought.

$$(\check{V})(C) = \check{V}C$$

A phrase is a group
of words with
meaning but does not
express a complete
thought.

$$(\check{V})(C) = \check{V}C$$

A phrase is a group
of words with
meaning but does not
express a complete
thought.

$$(\check{V})(C) = \check{V}C$$

A phrase is a group
of words with
meaning but does not
express a complete
thought.

Lesson 8 Spelling Prep

$$(\check{V})(C) = \check{V}C$$

Lesson 8 Dictation Prep

A sentence begins with a capital letter, ends with a punctuation mark, has a subject and predicate and expresses a complete thought. At a comma, you will pause, at a period you will stop, at a question mark or an exclamation mark your voice will change.
